FILE HEADING.

Construction of a Bridge across the Jonga River at Thiruchathi

From

The President, District Bd., Shemaga

No. Mis.C.433 Dated 15-3-18 Received 26-3-18

Diary No. 238	Enclos. 2 Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Requests Sanction to the proposal of the District Bd to raise a loan of Rs. 1 Lakh at 6 p.c towards the Construction of the Bridge, provided that the Govt would make a grant of another Lakh of rupees therefor

NOTES AND ORDERS.

1. In the Statement D of Bridge programme (Sanctioned as per back as 1908 vide in the State G.O. 47-58 dt 17.1.1908, the cost of the work in question is put-down as Rs. 2,18000 while as per the letter under Report it is only 2 Lakhs

2 It is however seen from the Enclosure to the present letter dtg. from the D.C of the Enclosure dtg. addressed to the Presdt of the Dist Bd that the project is being now reviewed

3. As it is stated that the proposed bridge will not only benefit the Chathakulli but Koppa Tk also to a great extent, the Dist Bd of Kadur may perhaps be asked to contribute something towards the work

4. The interest charge to the Bd on its share of Cost will be Rs. 6000 per annum & no arrangement has been proposed for the repayment of the loan to the District Bd

C 1/4/18

5. The only way in which addl. revenue from the bridge may be derived is by the levy of tolls as in the case of several other bridges that have been constructed. It is not likely that more than Rs 1000/- will be realised by this means. The D.C. may be asked to report what arrangements he would propose for the repayment of the loan as well as for payment of interest, both of which will amount to nearly Rs 10000/- per annum

v/s The Fin.c Secy. has pointed out that the amount required in the present case should be met from the head "30 Grants for Public Improvements" by reducing grants under the minor heads. No provision exists under "30 Grants for Public Impts" for making grants for construction of bridges which are works of a special nature not included in the programme of public improvement

v/ Two large breages are now under consideration for which grants have been proposed and accepted. Funds will have to be allotted as soonas the estimates for the works are sanctioned. The only possible sources from which the grants may be ordered to be met are (1) the ordinary P.W. Grant and (2) the special reserve of 3½ lakhs (paras 12(c) and 13 of the Fin.c Dept: order)

1. Imuga Bridge at Tirthalli
2. Cauvery-Kapila Bridge at T. Narsipur.

v/8 In the former case the P.W.D. will have to be consulted and in the latter case the Fin.c Dept.t will have to be consulted.

HVN.
16/8/18 v/9. It appears as though the full allotment made under 30 Public Improvements will be completely utilised in the coming year.

33. Note on the question of the financing of large bridge works proposed for construction by Local Boards.

In Govt. Order No.47-58/300-11 dated 17-10-08 a programme of important bridge works to be undertaken by the P.W.D. during the next 10 years was sanctioned. The cost of construction of such bridges had to be met out of the L.F. General. The case of the Thunga bridge which has come up for the consideration of Govt. now -- forms item (11) of that programme. Under Govt. order No.6544-71/L.B.103-16-/dated - 10-4-1917, the L.F. general has been abolished and the amount which formed that fund has been transferred to District --- Funds. In para 23 of the L.S.G. order --- dated 16th Nov. 1916, Govt. have given a general promise to assist local boards by means of grants-in-aid equal in extent to the amounts raised by the local bodies -- themselves. In the state budget, a Head of expenditure viz., 30, has been specifically set apart for "Public Improvements", ~~and~~ but most of the items included therein -- deal with Towns and Villages in respect - of their sanitation and water supply. A great portion of the allotment under this head is taken up by the cities of Bangalore and Mysore. The question of rural communications forms only a minor item under this head, included because a recent order sanctioning a special grant-in-aid for this purpose was issued.

2. Bridge works of the kind now under consideration cannot for various reasons be mixed up with Town and Village Improvement works. They are large works requiring special consideration and substantial assistance. The number of works of this kind remaining to be executed -- being large, an annual allotment of 2 or 3 lakhs will have to be made under Public Works grants for subsidising local boards in carrying out such works.

3. Reference is in this connection invited to the order of of 10-4-17. para 7 of which is to the following effect.

D (Secy.-71 Fin. 101-16-1 9.4.17)

"That the question of proportionately raising the Public Works Department - Budget Grant for completing the incomplete Local Fund General works and for putting in hand fresh works the cost of which was to have been met from this fund be disposed of separately in the Public Works Secretariat."

4. As regards Government's share of -- cost of the Thunga Bridge, the Public -- Works Secretary may be requested to state if the amount can be spared out of the - grants available to that Department.

TMK.

2. Subject.-Clause xviii of the Schedule.

Proposals for the construction of a bridge across the Tunga river at Tirthahalli and the question of financing large bridge works.

OPINION OF THE COUNCIL.

The cost of the bridge may be met in the following proportions:-

District Board	...	Half the cost.
Municipal Board, Tirthahalli		One-fourth of the cost
Government grant	...	One-fourth of the cost.

Detailed estimates may be prepared for the work.

The toll income may be divided between the District Board and the Municipal Board of Thirthahalli in the proportion they contribute to the capital cost.

42 **Final Note by the Second Member of Council.**

Subject:—

Proposals for the construction of a bridge across the Tunga river at Tirthahalli and the question of financing large bridge works.

In his letter No.433 dated 15th March 1918, the President of the Shimoga District Board, submitted a resolution of the Board in the matter of the construction of the above mentioned bridge, requesting sanction to the raising of a loan of Rs.1,00,000/- at 6 per cent interest by the Board, on the understanding that another lakh of rupees would be provided by Government for this purpose. The President has explained the importance of the bridge, and has pointed out that it would facilitate communication not only between all the Hoblis of the Tirthahalli Taluk but also to larger portions of the Koppa Taluk, and would go to increase the commercial importance of the place which is already great.

2. On these proposals I observed as follows, in my note dated 5th April 1918:-

"The question of giving one lakh of rupees grant for one bridge in one District may not be expedited.

"This might perhaps be considered in Council."

3. The matter was accordingly considered in Council on the 2nd May 1918, when it was ordered that an inquiry may be made if the Tirthahalli Municipality would contribute Rs.50,000/- for this purpose, in case Government agreed to contribute Rs.50,000/- also.

4. An inquiry was accordingly made, and the President has reported, in his letter No.433 dated 12th July 1918, that the Municipal Council of Tirthahalli have agreed to contribute Rs.50,000/- towards the purpose, provided they are permitted to raise a loan locally. The President also recommends that the Municipality should be entitled to a proportionate share of the proceeds from the

bridge, in the shape of Toll-gate Fees, in case any portion of the cost is contributed by them.

5. The Financial Secretary, who was consulted in the matter, is of opinion that there is no objection to the District Board and the Municipal Council of Tirthahalli raising the loans proposed by them, provided they make suitable arrangements for meeting the interest and the Sinking Fund charges thereof. As regards the grant from Government, he points out that it is not possible to find the money in this year's budget, but states that there would be no objection to make this grant of half a lakh in a future year, if funds are available, out of the provision made under the Budget head: "30, Grants for Public Improvements", and has expressed a fear that this amount may not be available in the near future.

6. As regards the Financial Secretary's fears, I have noted, on the 23rd August 1918, that it is not likely that Government grant will be immediately required, or expenditure exceed Rs.50,000/- in any one year.

7. The matter has again been considered in Council on 12th September 1918, and the Council have resolved as follows:-

8. "The cost of the bridge may be met in the following proportions:-

District Board	Half the cost.
Municipal Board	One-fourth of the cost.
Government grant	One-fourth of the cost.

"Detailed estimates may be prepared for the work.

"The toll income may be divided between the District Board and the Municipal Board of Thirthahalli in the proportion they contribute to the capital cost."

9 The above resolution of the Council is submitted for

43. *Submitted to His Highness.*

I submit herewith a Final Note by the Second *Member of Council on the subject of* proposals for the construction of a bridge across the Tunga river at Tirthahalli, *for His Highness' gracious approval.*

Sir,

I have the honor to state that the Executive Engineer Shimoga, intimated the willingness of one M. Makkimane Seenappa of Tirthahalli, to deposit Rs.30,000/- towards a loan of One Lakh promised at 6% percent interest for the construction of Bridge across the Tunga River at Tirthahalli and suggested that this bridge-work may be taken up among the programme of new works in the District on the ground that this work had the precedence over the Honnali bridge in the programme of Bridges. The suggestion was placed before the District Board in their meeting held on the 6th instant, and the resolution passed thereon is herewith submitted for the Orders of Government. The Board intend to take up the work provided a grant of One Lakh of Rupees is sanctioned by Government and their proposal to raise a loan of Rupees One Lakh at 6% percent interest is approved. Further action will be taken in the matter on receipt of definite orders of Government on the subject.

The construction of the bridge above referred to will facilitate communication not only to one of the Hoblies of Tirthahalli Taluk but also to larger ~~petiones~~ portions of Koppa Taluk as this connects Koppa-Tirthahalli Road. Further the construction of the bridge will improve the traffic from Koppa, Hariharpur and Yadehalli to Tirthahalli

S U B J E C T. No: 20

D.O.Letter No.6 dated 26th January 1918 from the Executive Engineer, Shimoga, regarding the collection of shares for the construction of a bridge across the Tunga river at Tirthahalli.

Resolved that this is an unique instance where the public have come forward to to lend money at 6 percent for the construction of a bridge and therefore the Board may raise a loan of One Lakh which is about half the cost of the Bridge and that the Government may be moved to grant the other Lakh of Rupees required for the Bridge.

THE TUNGA BRIDGE AT TIRTHAHALLI.

Dear Sir,

I learn that one Mr.Makkimane Seenappa of Tirthahalli, who promised Rs.1,00,000/- at 6% is willing to deposit Rs.30,000/- himself immediately the demand is made and would induce others to deposit the rest.

2. I believe you have already arranged to collect the amount and guaranteed them 6% interest.

3. My further enquires seemed also to confirm their zeal for getting the bridge constructed.

4 The contractors of Tirthahalli Hulical Road Bridges are also likely to take up shares of R. 30,000 to 30,000

5 The project is being revised and will be an economical one if undertaken immediately as the energetic contractors of the Tirthahalli Hulical Road Bridges expect to complete the work already entrusted to them and return to their native place this year only.

6. If the Thunga Bridge work be, sanctioned before March 1918 or before on a fair way to sanction they may remain to complete this Thunga Bridge also (which once had secured a precedence over the Honrali Bridge in the programme of Bridges) within two seasons or even one year if the facilities therefore be offered by the Government.

7. I request you to be kind enough to drop a line as to the action you have taken already and mean to take regarding the work of collection of shares and moving the Government to sanction this ~~year~~ Bridge for cart traffic, on condition that if the Railway finds it necessary it may widen the same(Bridge) cheaply.

Revenue Department, Bangalore.

Sir,

With reference to your letter No.6343 L.B.118-17-2 dated 10th May 1918 enquiring whether the Municipal Council of Tirthahalli are prepared to contributeRs.50,000/- towards the cost of constructing a bridge across the Tunga River at Tirthahalli, I have the honor to state that the Municipal Council of Tirthahalli are agreeable to contribute Rs.50,000/- towards the cost of the bridge provided they are permitted to raise a loan of the amount locally. Their request seems to be reasonable as the balance of the Municipality is ~~above~~ about Rs.19,000/- out of which they intend spending a certain amount on water supply to the town. I also consider that in case they contribute any portion of the cost of building the bridge they should also be entitled ~~is~~ to a proportionate share of the proceeds from the bridge in the shape of toll-gate fees.

Tirthahalli Taluk Amildar's report No.2 dated 2nd instant and copy of the resolution of the Municipal Council received with the above are herewith submitted for reference.

I have the honor to be,

Proceedings of the Government of H.H.
the Maharaja of Mysore.

R e a d:--

Letter No.433 dated 15th March 1918, from the President of the District Board, Shimoga District, submitting for sanction, the resolution of the District Board to raise a loan of 1 lakh of rupees at 6 per cent interest for the construction of a bridge across the Tunga River at Thirthahalli, estimated to cost Rs 2 lakhs, on the understanding that another lakh of rupees would be provided by Government for the purpose.

2. Correspondence ending with letter No.433 dated 15th March 1918. from the Deputy Commissioner, Shimoga District stating that the Municipal Council of Thirthahalli have agreed to contribute Rs 50,000 for the purpose, provided they are permitted to raise a loan locally and also given a proportionate share of the proceeds from the bridge in the shape of toll-gate fees.

-----:O:-----

Order No. 53384 LB 118-17-4

Dated Bangalore, 23.10. 1918.

Government are pleased to sanction the construction of the bridge across the Tunga river at Thirthahalli and direct that the cost of the bridge be met in the following proportions:--

41

District Board	Half the cost.
Municipal Council.	One fourth of the cost.
Government grant.	One fourth of the cost

2. The Chief Engineer is requested to prepare detailed estimates for the work and submit the same early for the approval of Government.

3. The toll income from the bridge should be divided between the District Board of Shimoga and the Municipal Council of Thirthahalli in the proportion they contribute towards the capital cost.

4. The District Board of Shimoga and the Thirthahalli Municipality are permitted to raise loans locally of the required amounts by the issue of debentures. The prospectuses therefor should be submitted to Government for approval.

SHIMOGA DISTRICT.

Draft Prospectus of the District Board Debenture Loan for the Construction of a bridge across the Tunga River at Thirthahalli.

(Pub. in page 54 Part I A M.G. dt 19-2-1919)

Sanctioned by Government in their order No.5338-41 L.B.118-17-4 dated the 23rd October 1918.

The Government of His Highness the Maharaja of Mysore, have in their order No.5338-41/L.B.118-17-4 dated the 23rd October 1918, given their sanction for the construction of a bridge across the Tunga River at Thirthahalli and requested the Chief Engineer in Mysore to prepare a detailed Estimate for the work and submit the same for their approval.

2. The construction of the bridge is estimated to cost about 2 lakhs of rupees. The Government have in their order referred to above sanctioned this amount being met in the following proportions:-

District Board	Half the cost
Municipal Council (of Thirthahalli)	One fourth of the cost.
Government grant.	One fourth of the cost.

and have permitted the District Board to raise a loan of their portion of the cost locally by the issue of Debenture.

3. The District Board of Shimoga have in pursuance of the above order resolved to raise a loan towards their contribution of the Estimated cost of the bridge by the issue of Debentures and have accordingly issued this prospectus with the approval and under the authority of the Government of H.H. the Maharaja of Mysore.

4. The Debenture bonds will be for Rs.50,100 and 1000 each, redeemable at the expiry of 25 years, from the date of opening the bridge for traffic and will bear interest at 6% per annum, with effect from the date of payment of the money into the Government Treasury. The interest will be payable half yearly on the 1st January and the 1st July. Debentures of the value of one lakh are now open for subscription by the public including such of the Municipalities as may decide to invest in the same and applications in the prescribed printed form hereto annexed -- together with the 1st instalment of not less than 12½% of the amount applied for, may be presented at any Government Treasury in the state. The balance will be called up in instalments of not more than 25% of the amount allotted, spread over 2 years, at least, two months notice being given before each call. On failure to pay the further instalments called for amounts previously paid up will be liable to be forfeited to the District Board.

5. Notwithstanding the provisions in the above, the District Board may pay off the whole or any part of the loan at par at any time after ten years beginning with 1st July and after giving to the debenture holders a notice of six months prior to repayment. The debentures to be thus discharged may be selected by lot or otherwise as the District Board or the Government may deem fit and if the present loan is to be discharged by raising another at a cheaper rate of interest, the debenture holders of the present loan shall be given the option to take up shares in the latter i.e. the loan at a lower rate. Para 6. A discount of one percent will be allowed on all amounts remitted or paid into the Treasuries in the State within six months from the date of Government sanction on account of all debentures subscribed for before that date.

Sd/- T.E.Jayaraya Aiyar,

Deputy Commissioner & President
District Board, Shimoga.

Draft Prospectus of the Thirthahalli Municipal Counci Debenture Loan for the 'Construction of a Bridge across the Tunga river at Thirthahalli.

---

1. The Govt. of H.H. the Maharajah of Mysore have sanctioned in their order No. 5338-41/L.B.118 of 17, serial 4 dated the 23rd October 1918, the onstruction of a bridge across the Tunga river at Thirthahalli and have directed the Chief Engineer to prepare a detailed estimate therefor.

2. The Construction of the bridge is estimated to cost about two lakhs of rupees. In case the Thirthahalli Municipality raise rupees fifty thousand, the Dt.Board have agreed to contribute one lakh of rupees and Govt., 50,000. Govt. have perimited the President of the Thirthahalli Municipal Council to issue a prospectus for the purpose in his name and to raise a loan of Rs.50,000. from the public. Prospectus is accordingly issued in pursuance of the said Govt. order.

3. The Govt. have guaranteed the payment of interest at 6% on the capital thus raised by the Municipality, for a period of 30 years

4. The Municipal Council of Thirthahalli have resolved to raise a loan for the above purpose by the issue of debentures. The debenture bonds are of the denominations of Rs.50, Rs. 100, Rs.500 and Rs.1,000 The loan shall be redeemable after the expiry of thirty years from date of

of opening the bridge for traffic. Interest at the rate of 6% will be paid from the date of payment of money into the treasury. Interest will be payable half yearly on the 2nd January and 3rd July. Debentures of the value of Rupees fifty thousand are now open for subscription by the public. The form of application to be presented by the subscribers is annexed hereto. The first instalment of not less than 12½% of the amount subscribed for should be paid into any State treasury along with this application, the balance being payable in instalments of not less than 12½%, within two months on receipt of each call, within a period of two years. On failure to pay the further instalments called for, amounts previously paid will be liable to be forfeited to the municipal Council

5) Notwithstanding the above provisions the municipal Council of Nedumangad reserve to themselves the option to pay off the whole or any portion of the loan at par at any time after 10 years after giving a previous notice of 6 months to the debenture holders by publication in the Gazette
